

## Breakout Session

- Year 7 training resources? 2011.
  - Concern about rule changes in middle of process.
  - 2011 schools – will there be interim steps?
  - Guidance on report length.
    - Documentation?
    - Evidence approximations?
    - Standard length?
  - How much detail is expected for evaluator visit?
  - Potential for not getting as much campus involvement.
  - Coordinating strategic plan with core themes.
  - Evaluation of mission statement – core themes congruency.
  - Vision – strategic planning not limited by core themes.
  - Concern about setting benchmarks.
    - Synthesis not homogenized.
  - Does the process provide enough information to be considered credible (by outside Feds)?
  - Documentation.
    - Sufficient evidence?
    - Balance connecting the dots?
  - Time pressure to have inclusive campus process.
  - How to blend the old “issues” with new report?
    - Where in report and how?
  - Some important core themes will be challenging to assess effectively.
    - Character/cultural enrichment.
    - Emotional well-being.
  - Not as clear that this new structure is enough outcome based?
