7/21/2020

The NWCCU Temporary Policy on Virtual Accreditation Evaluation Visits was reviewed on 7/21/2020. The temporary policy allows for virtual evaluation visits in Fall 2020, as well as allowing NWCCU to exercise its discretion in certain areas due to the impacts of the COVID-19 crisis. The COVID-19 crisis is still underway, and the need for the temporary policy is still present.

A [message](#) was sent to institutions on 7/20/2020 informing them that NWCCU will be conducting virtual evaluation visits this Fall.
